Other terms & conditions

1. The supplier shall execute an agreement with the purchaser as per tender conditions (agreement format is given in the tender document).
2. The supplier shall submit performance security amounting to 5% of the value of the supply order.
3. The labour & comprehensive charges of equipment after the completion of warranty period is finalized by KMSCL as mentioned above.
4. Since discount rate is not applicable for equipment under Running Contract of KMSCL, purchase/supply order can be issued directly to supplier at the given rate with tax & other charges (exclusive of KMSCL service charges).
5. If purchase/supply order is issued directly to the supplier, KMSCL service charge need not be paid. But the copy of the said order may be forwarded to KMSCL for information.

Technical Specification

Equipment :DVTSCP Pump

1. Should consist of DVT pump & DVT sleeves/garments
2. Should provide sequential, circumferential, gradient pneumatic compression around the ankle, calf & than thigh from below to upwards.
3. Should have different compression level at all the points
4. Pressure range from 30 mm Hg-130 mm Hg with therapeutic pressure & highest pressure for foot cuff
5. Should be portable, light weight weighing between 2-3 kg
6. Should operate on power 220-240 Vac, 50Hz
7. Cycle duration should be max 60 sec with cycle time approx 11-12 secs for inflation
8. Should have single leg usage option if needed
9. Alarm should be audible
10. Should have adjustable bed mount which attaches easily and securely to most foot boards
11. Should be supplied with required disposable garments at least 25 pair each knee, thigh & 10 foot cuffs that is compatible with device
12. Garments should be high class fabric incorporating bladder geometry that evenly conforms & distributes pressure without kinking tube attachment for connection to device
13. Integrated battery backup of 6-8 hrs of Li-ion type
14. Should have safety certificate from a competent authority CE issued by a notified body registered in the European commission / FDA (US)/ STQC CB Certificate/ STQC S Certificate or valid detailed electrical and functional safety test report from ERTL.
Copy of the certificate/ test report shall be produced along with the technical bid
15. Rates of disposable garments should be quoted separately which should be valid for 3 years
