NOTICE INVITING QUOTATION (N.I.Q.)
Quotation No.: KMSCL/PROJECTS/67/2026

Sub: KMSCL – Supply, Installation, Testing and Commissioning of 11 Nos. of new 12V, 100Ah SMF Batteries for the existing 20 kVA Online UPS at the Head Office of KMSCL under Buyback Scheme – Invitation of Quotations – Reg.

Sealed competitive quotations are invited from reputed and eligible manufacturers/authorised dealers/suppliers for the supply, installation, testing and commissioning of **11 Nos. of new 12V, 100Ah SMF (Sealed Maintenance Free) Batteries** for replacing the existing defective batteries installed in the 20 kVA Online UPS at the Head Office of Kerala Medical Services Corporation Limited (KMSCL), Thycaud, Thiruvananthapuram, under a buyback scheme, as per the technical specifications and terms and conditions detailed in this document.

The quotation, along with all required supporting documents, shall be submitted in a sealed envelope superscribed:

"QUOTATION FOR THE SUPPLY AND INSTALLATION OF 11 NOS NEW 1 100AH SMF BATTERIES TO REPLACE THE EXISTING DEFECTIVE BATTERIES IN THE 20 KVA ONLINE UPS AT KMSCL HEAD OFFICE."

The sealed quotation shall be addressed to:

The Managing Director,
Kerala Medical Services Corporation Limited,
Thycaud, Thiruvananthapuram – 695 014.

The quotation shall reach the office of the Managing Director, KMSCL, on or before **10/11/2026 at 3.00 PM**.
Quotations received after the stipulated date and time shall not be entertained.

The quotations received shall be opened in the presence of interested bidders or their authorized representatives who wish to be present at the time of opening.

Last Date and Time for Submission of Quotation: 10/11/2026 up to 3.00 PM.

Date and Time of Opening: 10/11/2026 at 4.00 PM.

Place of Opening:

Kerala Medical Services Corporation Limited,
Thycaud,
Thiruvananthapuram – 695 014.

1. TERMS AND CONDITIONS

1. Quotations are invited from reputed and eligible manufacturers/authorised dealers/suppliers for the supply, installation, testing and commissioning of **11 Nos. of new 12V, 100Ah SMF Batteries** suitable for the existing 20 kVA Online UPS installed at the Head Office of the Corporation, under a buyback scheme.

2. The batteries offered shall be brand new, unused and of standard quality, suitable for the existing UPS system. The bidder shall clearly specify the make, model, manufacturer, manufacturing date, capacity and warranty period of the batteries offered.

3. The batteries supplied shall conform to the specified rating of **12V, 100Ah SMF (Sealed Maintenance Free)**. The bidder shall ensure compatibility with the existing UPS system, including its DC bus voltage and battery configuration, before undertaking the supply and installation. Any technical deviation shall be clearly indicated in the quotation and shall be subject to approval by KMSCL.

4. The bidder shall quote for the complete scope of work. The quoted rates shall include the cost of batteries, transportation, loading, unloading, dismantling and removal of existing batteries, installation, interconnection, testing and commissioning, including all necessary accessories and incidental charges. GST shall be indicated separately in the price schedule.

5. The bidder shall quote the buyback value of the existing **11 Nos. of defective 12V, 100Ah** batteries separately in the prescribed price schedule. The total buyback value shall be deducted from the grand total to arrive at the net payable amount, subject to applicable tax treatment.

6. The successful bidder shall be responsible for the safe dismantling, removal and authorised collection/recycling of the existing defective batteries in accordance with applicable environmental regulations. Proof of authorised disposal/recycling shall be furnished to the Corporation, wherever applicable.

7. The successful bidder shall carry out the installation, testing and commissioning of the new batteries to the satisfaction of the

authorised officer of the Corporation. The work shall include proper interconnection of batteries, checking of polarity, terminal tightness and verification of satisfactory functioning with the existing UPS system.

8. The successful bidder shall provide a minimum **24 months' comprehensive on-site warranty or above** from the date of installation and commissioning. The warranty shall cover manufacturing defects and performance-related failures, including replacement of defective batteries, transportation and replacement charges, without any additional cost to KMSCL.

9. The supplier shall hand over the manufacturer's warranty certificate, battery test certificate and relevant technical documents to the Corporation upon completion of the installation.

10. The supply and installation shall be completed within **30 days** from the date of receipt of the Purchase Order/Work Order.

11. In case of delay in completion of the work beyond the stipulated period, without valid reasons or approval from KMSCL, a penalty at the rate of **0.5% of the value of the delayed portion of work per week or part thereof** shall be imposed, subject to a maximum of 5% of the total Work Order value. The penalty amount shall be recovered from the bills payable to the agency. However, KMSCL reserves the right to grant an extension of time in deserving cases, based on the reasons furnished by the agency and approval of the competent authority.

12. The bidder shall possess the necessary registration, authorisation and technical competence for undertaking the supply and installation of UPS batteries. Copies of relevant supporting documents, including GST registration, PAN and manufacturer/authorised dealer certificate, wherever applicable, shall be submitted along with the quotation.

13. The quotation shall be duly signed and stamped by the authorised representative of the bidder. Unsigned, incomplete or conditional quotations may be liable to rejection.

14. The bidder shall clearly indicate the validity period of the quoted rates. The quotation shall remain valid for a minimum period of **60 days** from the last date of submission of the quotation.

15. No price escalation shall be permitted under any circumstances during the validity of the quotation or execution of the work.

16. Payment shall be made only after satisfactory completion of the supply, installation, testing and commissioning, verification by the

competent authority and submission of the required invoice, warranty certificate, completion report and other supporting documents, as applicable.

17. The bidder shall ensure that the replacement work is carried out without causing any damage to the existing UPS system, battery rack, electrical connections or other associated equipment. Any damage caused during the execution of the work shall be rectified by the successful bidder at their own cost.

18. The successful bidder shall comply with all applicable safety precautions and electrical safety requirements while carrying out the dismantling, installation and commissioning works at the KMSCL Head Office.

19. The successful bidder shall submit a completion report detailing the make, model, serial number, manufacturing date and warranty details of all 16 batteries supplied and installed, along with confirmation of satisfactory testing and commissioning of the UPS system.

20. The quoted rates shall be inclusive of all applicable charges, except GST, which shall be shown separately in the price schedule. No additional incidental charges shall be payable by KMSCL over and above the accepted quotation amount.

21. KMSCL reserves the right to accept or reject any or all quotations, in whole or in part, without assigning any reason and without incurring any liability towards the bidders.

22. The decision of the competent authority of KMSCL regarding the acceptance of the quotation shall be final and binding.
