### Other terms & conditions

1. The supplier shall execute an agreement with the purchaser as per tender conditions (agreement format is given in the tender document).

2. The supplier shall submit performance security amounting to 5.00% of the value of the supply order.
3. The labour & comprehensive charges of equipment after the completion of warranty period is finalized by KMSCL as mentioned above.
4. Since discount rate is not applicable for equipment under Running Contract of KMSCL, purchase/supply order can be issued directly to supplier at the given rate with tax & other charges (exclusive of KMSCL service charges).
5. If purchase/supply order is issued directly to the supplier, KMSCL service charge need not be paid. But the copy of the said order may be forwarded to KMSCL for information.

### **Technical Specification**

#### **Equipment :Fume Hood**

1. The fume exhaust hood should be designed to protect the personnel and equipment by throwing out the toxic or chemical vapour from the work area.
2. The hood should be fabricated out of good quality water proof marine plywood or C.R sheet
3. The outer surface should be covered with epoxy coated or FRP (Fiberglass Reinforced Plastic) lining as required
4. The working table should be covered with acid proof glazed tiles, provided with FRP moulded / ceramic sink (acid corrosion resistant material) and water tap, provided with a cock for gas or air, additional power point, diffused florescent tube.
5. The exhaust system should have a dynamically balanced epoxy/ FRP coated impeller coupled with TEFC (Totally Enclosed, Fan-Cooled) industrial motor three phases.
6. The front glass shutter should be provided with counter weight arrangement for easy vertical sliding.
7. Bottom stand should be provided with shutters and drawers
8. Standard ducting should be with 1.5 meters 6" PVC pipe provided to the exhaust ducting
9. Approximate external dimensions in cm 96 (W) x 75 (D) x 180 (H)
10. Option for dismantling and reassembling during installation at required site to be provided
